

P280

1K Acrylic WB Basecoat

SKU: P280 | **Categories:** [Water-based Coatings for Interior Use](#), [Wooden Flooring](#) | **Tags:** [Adhesion](#), [Crisp sanding](#), [Mechanical Resistance](#), [Wood wetting](#)

PRODUCT DESCRIPTION

1K Acrylic WB Basecoat

Sylaqua P280 Series is 1K acrylic water borne basecoat for parquet surfaces.

The high solid content provides excellent filling of the wood pore, while highlighting the wood grain with increased wood wetting (anfeuerung).

Excellent crisp sanding advanced adhesion to the wooden surface, recoatability and high mechanical resistance.
